WEAPONS/RANGE QUALIFICATIONS AND TRAINING

1. Los Angeles County Sheriff's Department allows a CCW license holder to list **three (3) weapons on an issued permit.**
2. Each CCW license holder is mandated by California State Law to attend a firearms safety class. Individuals are also required to qualify with their weapon(s) under the direction of a qualified range master to ensure that each license holder is competent in the safe handling of firearms.
3. Please do not submit proof of training and qualification targets prior to Step 3 of the application process. **Your training and qualification certification must be dated and submitted within 60 days of your approval notification.** **Your application will be rejected if you fail to meet the deadline provided.**
4. Proof of training and qualification can be submitted via the "Order Tracker" (https://lasd.permitium.com/order_tracker) feature of the online application process.
5. Having a California CCW does not exempt you from California firearms laws. It is the responsibility of the licensee to ensure every weapon listed on their CCW is legal within the state of California. It is recommended that you consult an attorney that specializes in California if there are any questions.
6. The Los Angeles County Sheriff's Department recognizes only the training facilities listed on our website to satisfy your training and qualification requirements. Training from any other facility will not be accepted. NO EXCEPTIONS. Please visit www.lasd.org/ccw for a list of approved vendors.
